EDUCATIONAL TRUST

Houlton School  
Attendance and Educational Welfare Officer  
NJC 12 - 17

# Welcome from the Principal

It is my great pleasure to welcome you to our Houlton family, where **innovation, aspiration and excellence** are at the heart of all we do. As Ofsted noted when they visited us in 2021, we '...place spiritual, moral, social and cultural education at the heart of the curriculum so that **pupils flourish and are well prepared for life beyond school.**' They then returned to visit in 2024, further noting that, '**Houlton School is aspirational for all its pupils...**it wants all pupils to achieve well academically and be ready for life in the wider world.'

We proudly encourage pupils to consider themselves to have joined the unique experience of the '**Houlton family**'. Dr Maya Angelou once wrote that, '...family isn't always blood; it's **the people in your life who want you in theirs: the ones who accept you for who you are,** the ones who would do anything to see you smile and who love you no matter what.' This underpins our approach at Houlton, where difference is celebrated as integral to our supportive, wider community.

We have the privilege of occupying the Grade II historic listed buildings that previously housed Rugby International Radio Station. Inspired by our heritage, we enjoy our very own Communications Centre, fully resourced with a library and **professional radio and television broadcasting station**, allowing us to continue the historic legacy of our campus. Some established schools are lucky to be provided with refreshed, enhanced facilities in one or two specialist subject areas, such as the Arts or STEM; however, our pupils enjoy state-of-the-art facilities alongside stunning heritage buildings across the **entire curriculum**. Our 20-acre campus provides a truly exceptional school experience for our pupils: a genuinely inspirational setting for them to learn and grow. Our brand-new facilities on campus include a **purpose-built Sports England compliant Sports Centre**, dance, acting and fitness studios, STEM and computing facilities. Our pupils also have access to incredible art studios with a photography dark room and kiln for those children who like to be creative. Then there's the wonderful '**Power Hall Refectory**' that pupils can use before school, at break and at lunchtimes, formerly the engine room of our campus and now fuelling pupils' learning each day.

At Houlton School we have the highest expectations of our pupils: **excellence** is expected in all aspects of behaviour and attitudes, and pupils will be expected to always do their very best.

I strongly recommend that potential applicants come and pay us a visit to see what a fantastic place this is to work and learn; I have every confidence that if you do, you'll want to support us in the next, exciting phase of our expansion as a community.

**Michael McCulley**  
Principal
