About Transforming Lives Educational Trust

Our History

The Transforming Lives Educational Trust (TLET) was established in October 2016 and is a Charitable Trust and Company Limited by Guarantee. TLET grew out of a partnership between a high performing secondary school and primary school in Rugby, Warwickshire. The desire to work together arose from continuing population growth in the local community, our belief that we can shape and influence practice wider than our current schools, and the desire to provide the community with more high-quality school places. The Trust is set to grow over the coming years and currently comprises of two secondary-phase academies, Ashlawn School and Houlton School, and two primary-phase academies, Henry Hinde Infant School and Henry Hinde Junior School. Currently we are responsible for approximately 2400 children and young people and, along with the Trust's Central team, 350 employees and £13m of public money annually.

Our Vision

We believe in the transformative power of learning and its singular ability to broaden horizons, deepen perspectives and extend potential.

Our family of academies will be recognised as the most forward-thinking and innovative organisations within the communities they serve, providing a springboard for our children, young people and staff so that they become exemplary citizens who strive to stretch their potential and become transformers in a diverse and ever-changing world.

Our Academies

Our Team

Without exception, everyone is deeply committed to the very highest outcomes, regardless of their role, recognising the strength of collective contribution and effort.

Leaders

Academy leaders, driven by exceptional Principals, focus relentlessly on pupils and their outcomes, with everything else as peripheral. They are restless in their leadership, seeking ever better ways to improve in a culture of success. They do what it takes to make the difference.

Central team leaders, motivated by an inspiring Executive, lead high performing teams who add value to our academies by providing the environment in which others thrive. They unburden academy leaders, enabling them to keep the main thing, the main thing – pupil outcomes.

Governance, for our academies and for the Trust, is robust, rigorous and proportionate, providing professional support and challenge so that leaders strive to the limit of what is possible with a sharp focus on outcomes and excellence.

Our leaders never allow the urgent to distract them from the important, navigating a clear route to long-term success.

Teachers

Our teachers are highly effective in the classroom, both in the uncompromising quality of their teaching and in the perceptive and individualised attention they give to pupils. They are passionate about the subjects they teach and dedicated to the children in their care. Our teachers are carefully recruited and expertly supported to make sure they, like our pupils, are always at the top of their game.

Support Staff

Our support staff are the backbone of our organisation and are specialists in their areas of responsibility. Like our teachers, they are well-trained and highly effective at ensuring the smooth operation of our Trust day in, day out.

Our Aims

1. Our children achieve more, and make better progress, by attending a TLET academy than would otherwise be expected.
2. Others hold our academies, and the Trust, in the highest regard.
3. Our accommodation and premises are safe, well maintained and with facilities that are constantly improving.
4. Infrastructure and management systems are effective and cohesive, underpinned by sound financial management.
5. Our Trust operates at least seven academies, with due regard to growing responsibly, sustainably and with a mix of primary and secondary phased academies.
6. The welfare of our children and staff is promoted effectively in a safe environment where they are protected from harm.
