# About Transforming Lives Educational Trust

## Our History

The Transforming Lives Educational Trust (TLET) was established in October 2016 and is a Charitable Trust and Company Limited by Guarantee. TLET grew out of a partnership between a high performing secondary school and primary school in Rugby, Warwickshire. The desire to work together arose from continuing population growth in the local community, our belief that we can shape and influence practice wider than our current schools, and the desire to provide the community with more high-quality school places. The Trust is set to grow over the coming years and currently comprises of two secondary-phase academies, Ashlawn School and Houlton School, and two primary-phase academies, Henry Hinde Infant School and Henry Hinde Junior School. Currently we are responsible for approximately 2400 children and young people and, along with the Trust's Central team, 350 employees and £13m of public money annually.

## Our Vision

We believe in the transformative power of learning and its singular ability to broaden horizons, deepen perspectives and extend potential.

Our family of academies will be recognised as the most forward-thinking and innovative organisations within the communities they serve, providing a springboard for our children, young people and staff so that they become exemplary citizens who strive to stretch their potential and become transformers in a diverse and ever-changing world.

## Our Academies

## Our Team

Without exception, everyone is deeply committed to the very highest outcomes, regardless of their role, recognising the strength of collective contribution and effort.

### Leaders

Academy leaders, driven by exceptional Principals, focus relentlessly on pupils and their outcomes, with everything else as peripheral. They are restless in their leadership, seeking ever better ways to improve in a culture of success. They do what it takes to make the difference.

Central team leaders, motivated by an inspiring Executive, lead high performing teams who add value to our academies by providing the environment in which others thrive. They unburden academy leaders, enabling them to keep the main thing, the main thing – pupil outcomes.

Governance, for our academies and for the Trust, is robust, rigorous and proportionate, providing professional support and challenge so that leaders strive to the limit of what is possible with a sharp focus on outcomes and excellence.

Our leaders never allow the urgent to distract them from the important, navigating a clear route to long-term success.

### Teachers

Our teachers are highly effective in the classroom, both in the uncompromising quality of their teaching and in the perceptive and individualised attention they give to pupils. They are passionate about the subjects they teach and dedicated to the children in their care. Our teachers are carefully recruited and expertly supported to make sure they, like our pupils, are always at the top of their game.

### Support Staff

Our support staff are the backbone of our organisation and are specialists in their areas of responsibility. Like our teachers, they are well-trained and highly effective at ensuring the smooth operation of our Trust day in, day out.

## Our Aims

1. Our children achieve more, and make better progress, by attending a TLET academy than would otherwise be expected.
2. Others hold our academies, and the Trust, in the highest regard.
3. Our accommodation and premises are safe, well maintained and with facilities that are constantly improving.
4. Infrastructure and management systems are effective and cohesive, underpinned by sound financial management.
5. Our Trust operates at least seven academies, with due regard to growing responsibly, sustainably and with a mix of primary and secondary phased academies.
6. The welfare of our children and staff is promoted effectively in a safe environment where they are protected from harm.

## Why Work for TLET?

At TLET, we want to be an employer of choice for our employees.

We believe that the children and young people in our care deserve the very best staff who are highly effective at what they do. We want our employees to take great pride and satisfaction in their work. This means that one of our fundamental priorities is to ensure that all of our employees feel valued, knowing that the role they fulfil is vital to transforming the life chances of others. Put simply, we are loyal to our employees and receive their loyalty in return.

### Comprehensive Induction

When joining TLET, you will have access to a detailed induction programme which is designed to ensure you feel confident in your new role from your first day with us. This is led by our HR team in partnership with your line manager and focuses on our culture, safeguarding, site orientation, key people and TLET expectations, among other things. We know the importance of a great start for our children and young people when they join one of our academies, so we place just as much importance on the way new employees transition into TLET.

### Tailored Training

We believe in giving our children and young people the best daily deal. To this end, all of our employees have access to individualised performance development programmes and tailored training to ensure we are all restless in our pursuit of excellence. We work with respected training providers such as ECM Consultants, Challenge Partners and our own TLET Education Improvement Service, harnessing a blended training platform of virtual and face-to-face sessions.

### Tending the Team

At TLET, we recognize that working in schools is extremely rewarding, but we haven't lost sight of the fact that it is often challenging and burdensome. All our employees have access to our TLET wellbeing offer to promote your mental and emotional wellness. This centres around a suite of staff provision such as bitesize online wellbeing training to help maintain work-life balance, free access to professional counselling and even shopping vouchers! In short, we take care to care.

### TLET Central Team

As an employee at TLET, you will benefit from our extensive and expert Central Team who are based in Rugby making them highly accessible and responsive. The Central Team deliver leadership, finance, estates, business operations, SEND, HR and IT expertise to our academies with the intention of making it easier for others to do their job. Our Central Team work in partnership with our academy leaders to ensure that support is tailored to the needs of each academy.

Furthermore, we follow the School Teachers' Pay and Conditions Document, the National Joint Council guidelines and recognize continuity of service for all employees joining TLET to ensure that our employees are looked after well compared with others in different settings.
