About Transforming Lives Educational Trust

The Transforming Lives Educational Trust (TLET) was established in October 2016 and is a Charitable Trust and Company Limited by Guarantee. TLET grew out of a partnership between a high performing secondary school and primary school in Rugby, Warwickshire. The desire to work together arose from continuing population growth in the local community, our belief that we can shape and influence practice wider than our current schools, and the desire to provide the community with more high-quality school places. The Trust currently comprises of a secondary academy, Ashlawn, a secondary free school, Houlton, as well as infant academy, Henry Hinde Infants, and a junior academy, Henry Hinde Juniors.

The Transforming Lives Educational Trust has a simple yet powerful mission to transform the life chances of the children and communities we serve.

We believe that nothing compares to the transformative power of learning and its singular ability to broaden horizons, deepen perspectives, and extend potential. We know that the very best schooling unlocks the doors of the future, and that all children deserve the best daily deal, every day.

Our family of primary and secondary academies work together to provide the best start for our children and young people, and our Trust is the natural home for forward-thinking and innovative practice, led by dedicated and talented staff.

As a successful and growing family of academies, we have developed the size and scope to be far more than the sum of our parts. Whether you are a parent or pupil interested in a place at one of our academies, or a staff member, governor or partner looking to join us, we hope this website gives you a strong sense of our inspiration, drive, and culture.
